## STOLEN: IS SOCIAL MEDIA STEALING YOUR IDENTITY?

Abingdon Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How many hours do we spend scrolling Facebook newsfeeds, retweeting something on Twitter, or posing for the perfect selfie on Instagram, hoping what we post will get likes and comments from our friends and followers? To get those likes, we post what is--according to social media standards--pretty, popular, and acceptable. We hide the messy parts of life, play up the fun times, and even twist the truth a bit so we look a little better, smarter, and funnier. But what happens when people start holding us up to these unrealistic standards? What happens when you realize that who you are on social media isn't who you really are? Have we let social media steal our identity? In #Stolen, author Jessica Fralin uncovers our deep desire to be affirmed, valued, and loved and then points to the only place where that desire can be filled: in Christ not social media. She offers creative #FunFact, #GiveItATry, and #WhatDoYouThink callouts containing fun notes, activities, and ideas to discuss with your youth group and friends. As she tackles the issues and insecurities like popularity, body image, and cyberbullying, Jessica shows you how to find your identity in the one voice that really matters, not the million of voices online.
