Brand New Book ***** Print on Demand *****.Like all Anne Wilensky s novels, Topsy Turvy, is based on her own real life experience. Anne wakes up Christmas morning 2012 to her email not working, then her phone broke, her TV went to heaven, and then her computer blew up. As soon as she gets all her electronics squared away an unbelievable fatigue sweeps over her as she sits at the computer. She staggers to the tool room cot next to her computer room. And instantly plummets to the bottom of her mind. For 6 weeks she does not eat or sleep. It is all disturbing memories from her past. And when she does doze off for a moment, it doesn t refresh her or relax her. The dreams are just as intense as her waking thoughts, and like a comment on them. She isn t scared or upset because she is with her Higher Self all thru it. But she doesn t know what is happening. Yet it all feels so purposeful, she knows it has to be. When Spring arrives, both the earth and Anne rise up at the same time. And it is a glorious spring. Anne discovers her happiness has gone up another notch. Everything just feels new, she says. The year continues to have surprises for Anne, some wonderful, some terrible. It was not a usual year. But when that bizarre winter ends and delivers Anne back on the shores of life again, she discovers she has a new confidence in Life itself. We watch Anne get knocked down and bounce back quickly. We share her daily life with her. Her friend Jim is teaching her...
