Snowbooks Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A search for the legendary sword of Julius Caesar draws the Ogmios Team into a web of intrigue, betrayal and violence that threatens the stability of the Realm, and the future of the entire planet. It all begins when Ronan Frost receives a plea for help from Tony Denison, his former commanding officer, who is now an outspoken opponent of globalization and intensely interested in Arthurian lore. Frost's old comrade believes that he is the target of agents working for the New World Order, and that this shadowy conspiracy is trying to prevent him from finding the Crocea Mors, the sword of Caesar, and perhaps the very blade that King Arthur pulled from the stone to win his kingdom. Frost is skeptical, but there is no denying that someone is trying to kill Denison. Meanwhile, Sir Charles Wyndham has dispatched Konstantin Khavin to learn the truth behind the attempted assassination, and the truth is that the British government wants the man dead, at all costs. And because Frost is with him, Sir Charles is forced to make a choice--abandon Frost, or lose Ogmios for good. The race for the sword and search for the truth behind the plot will take both Frost and Khavin across Europe, into the murky place where legends meet history, and to the very brink of Armageddon.
