The Magic Polar Bear Book Series by Laurel Sobol Laurel Marie Sobol Amazon Bookstore <http://astore.amazon.com/httpswwwcreat0a-20> The polar bears will be some of nature's first animals to feel the impact as the ice packs and glaciers melt. This new book about polar bears is about two special bears named Glacia and Snow Glow who are different from other bears of the great far north. They want to see the world, make note of its special qualities, and bring back what they see to their home land. Then they want to share their findings with the world. Snow Glow and Glacia knew that the world their parents had known before they were born was changing forever. They knew that they would have to change too in order to survive in a world that was going through changes like global warming and other things. Snow Glow said reflectively and in a low and serious voice, This earth is perfectly good. It needs to be loved, taken care of, respected, and treated well by all of the people on it. People need to be governed to not destroy earth; as they exit the earth in rockets they repeatedly destroy the atmosphere every time making it thinner and thinner with each launch. For a few dollars, paper money, in the name of profit, the precious earth is being sold out and trashed, made useless by radioactive storage rods that leak into the ground and eventually the ground water. The water and land will become so sick that food will likely be rare to find and barely edible when it is. . . Unless something is done now to stop the...
