Learn what works and what doesn't in selling today. Customers want to buy, not be sold to and this requires different skills and techniques from the salesperson. Find out how to develop trusting relationships and genuine rapport with your clients and customers and learn how to scope out and meet their needs, so that you can do successful business in today's new sales environment. Through the author's unique 'I Owe You' framework, Smarter Selling gives you an immediately applicable method for understanding your own personality and that of the buyers you deal with and demonstrates why it is critical that the first comes before the second.
