Brand New Book ***** Print on Demand *****.Are You living Your Best Life On Purpose?Is it Hell Proof?A Book for the Lost Compass for the Confused and perhaps Verification us ALLAre you living your best life today? Are you living your life On Purpose? Are you certain that you know what your mission is and what the final objective is to fulfill your life here on earth? Have you followed a path with direction; and have a clear vision of what you want to complete by the end of your journey? Do you know how long your journey will last? Do you have faith, bound by a solid Belief System, to understand WHY you are here, and what your destiny is? In the end, who are you, and does it really matter? Do you really matter?These are only a few of the many emotional, confusing, and frustrating questions that all of us have asked a time or two since our early childhood. Still today, all too many: mothers, fathers, brothers, and sisters continue to ask those discerning questions right up until their last, final breath. To lose a loved one and be standing at the funeral wondering if they were living On Purpose, if they lived their best life, and not being able find peace in that thought; is an emotional attitude adjustment waiting to happen. This has to be one of the most common statements that I have heard throughout my entire life: If I only had a manual to give me direction, to tell me what to do; I would not be so lost today! Wow, a life manual, more like a working handbook to supplement the teachings of the original life...
