Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Surely the most deeply-rooted need of the human soul, its purest aspiration, is for the closest possible union with God. As one turns over the pages of this little work, written by Blessed Albert the Great towards the end of his life, when that great soul had ripened and matured, one feels that here indeed is the ideal of one's hopes. Simply and clearly the great principles are laid down, the way is made plain which leads to the highest spiritual life. It seems as though, while one reads, the mists of earth vanish and the snowy summits appear of the mountains of God. We breathe only the pure atmosphere of prayer, peace, and love, and the one great fact of the universe, the Divine Presence, is felt and realized without effort. But is such a life possible amid the whirl of the twentieth century? To faith and love all things are possible, and our author shows us the loving Father, ever ready to give as much and more than we can ask. The spirit of such a work is ever true; the application may vary with circumstances, but the guidance of the Holy Spirit will never be wanting to those souls who crave for closer union with their Divine Master. This little treatise has been very aptly called the Metaphysics of the Imitation, and it is in the hope that it may be of use to souls that it has been translated into English.
