

What is Green Spirituality? (Paperback)

By -

GreenSpirit, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the introductory volume in an inspiring series of books about green spirituality, a type of spirituality that fits into no particular category of religion or spiritual belief system and yet is fully compatible with - and draws millions of adherents from - almost all of them. Green spirituality is based on a love of the Earth, the intrinsic value of all life forms, and a deep respect for the integrity of ecosystems and for the importance of biodiversity. It includes a belief in the total interconnectedness of the cosmos and offers a sense of identity rooted in being part of - and interdependent with - all that is . It regards Nature as a great teacher and as a revelation of the divine and holds ideals of peace, social justice, ecological justice, low-impact living and sustainability. The book describes and illustrates, through the well-blended voices of thirteen writers, the basic concepts and expressions of this rapidly growing kind of spiritual attitude in today's world - what it is, where it comes from, who practises it and how and why....
