iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Conservatives are busy trying to save the world. The world is going to heck in a handbasket, and liberals are trying to figure out whether to hold angry peace rallies or celebrate the environment by leaving their signs on the grass for productive people to clean up. If only they knew how many trees and bunny rabbits were murdered on 9/11 by people unconcerned with carbon emissions. Use it against the left every moment they breathe. They may get offended, but that is the point. The only thing that the author wants to communicate in this book...
