Reviews

This ebook is amazing. I actually have read and i also am certain that i will going to read once more again down the road. I found out this pdf from my dad and i advised this book to discover.
(Isaiah Swaniawski)

FIERCE (PAPERBACK)

Ebury Publishing, United Kingdom, 2010. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. This no-holds-barred account of Kelly Osbourne's upbringing is as shocking as it is disarmingly funny. From stories about her father's alcoholism to pushing over portaloos on tour, Kelly unflinchingly deals with the extraordinary experiences that have made up her life so far: Kelly Osbourne has written *Fierce*, a handbook for teenage girls/memoir of adolescence lived under very bright lights. After reading it, and her anecdotes about her mum's early experiments with home waxing, and her dad snipping off her thong, and Amy Winehouse complimenting her on her tits, and the confidence that comes with Vicodin, as well as the fact boxes with advice about bullying and hair straighteners, I like her very much. Eva Wiseman, Observer.
