Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

The Ministry of Toons Limited, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Far from home, lost in a strange world, Frank Rog stumbles across an amazing discovery: A frog, called Croaky, who is as big as a baby elephant! Their shared love of swimming, jumping, climbing trees and catching flies forms the perfect friendship. When it all abruptly ends, Frank finds it tough adapting back to his old life. Then, one day, Frank's adventure begins with his move to an unfamiliar town and school. Everything feels different and making new friends is especially hard. When Frank meets Croaky, happiness is restored, but, without knowing it he is also enriched with new confidence. Frank later responds to a difficult challenge and realises that his friendship with Croaky has not only helped him rediscover how to have fun, but also how to believe in himself again.? This gently told story is aimed at 3 - 7 year old boys and girls, but will hopefully appeal to many other readers.
