SIMON SCHUSTER, United States, 2017. Paperback. Condition: New. Reprint ed.. Language: English . Brand New Book. Prepare to be cured by this quirky and hilarious debut novel about a sixteen-year-old loner who is sent to rehab for video game addiction- perfect for teen gamers and readers who are fans of Jesse Andrews and John Green (School Library Journal).Sixteen-year-old Jaxon is being committed to video game rehab.ten minutes after meeting a girl. A living, breathing girl named Serena, who not only laughed at his jokes but actually kinda sorta seemed excited when she agreed to go out with him. Jaxon s first date. Ever. In rehab, Jaxon can t blast his way through galaxies to reach her. He can t slash through armies to kiss her sweet lips. Instead, he has four days to earn one million points by learning real-life skills. And he ll do whatever it takes-lie, cheat, steal, even learn how to cross-stitch-in order to make it to his date. If all else fails, Jaxon will have to bare his soul to the other teens in treatment, confront his mother s absence, and maybe admit that it s more than video games that stand in the way of a real connection. From a bright new voice in young adult literature comes the story of a young man with a serious case of arrested development-and carpal tunnel syndrome-who is about to discover what real life is all about.
