H57 2008i OCLC Number: (OCoLC)297178192 Subject: Ports of entry -- Security measures -- United States. Excerpt: . . . 11 Also, under the auspices of WHTI, new facilitative technology will be implemented to assist in the efficient flow of legitimate travel. CBP is in the process of awarding a contract for the installation of infrastructure and technology required to read travel documents in vehicle primary lanes at land borders at the 39 highest-volume ports, which combined process 95 percent of travelers entering the United States through our land borders. This technology provides significant advantages for our officers, while providing a clear benefit for the traveler: The document is read as the vehicle queues for inspection at the primary booth. In seconds, the system displays the travelers bio-graphic information, photo, and the results of checks against the terrorist watch list, National Crime Information Center (NCIC) database, and various law enforcement databases to the CBP officers. This enables CBP to enforce more than 400 laws from 40 different Federal agencies, without impeding traffic flow. The CBP officer can look at the results...
