

## Instrumental Analysis Experiment (21st century higher education reform demonstration of chemical experiment teaching materials)

By CHEN GUO SONG // CHEN CHANG YUN

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 212 Publisher: Nanjing University Pub. Date :2009-07-01 1 1st print version 2009-07-01 this book in the choice experiments seek a comprehensive response to these basic requirements. will all be divided into 32 experimental electrochemical analysis (including potential. Coulomb. VA). molecular spectroscopy (including ultraviolet - visible. infrared. fluorescence). atomic spectroscopy (including atomic emission. atomic absorption. atomic fluorescence). chromatography (including gas chromatography. liquid chromatography ) and other instrumental analysis of five chapters. By taking into account the characteristics of school hours or school restrictions. all students have the opportunity to complete the book difficult to incorporate all the experiments. it is difficult to directly access and use of all analytical instruments. in the sixth chapter of the book is 24 preferred class of analytical instruments some domestic and imported models. its basic characteristics and operating methods for the profile. Contain the beginning of each chapter summary of relevant content. covering the basic principles of various types of instrumental analysis. instrument structure. qualitative and quantitative methods and related formulas. suitable for analysis and the basic principles of sample handling. instrument...

### Reviews

*This publication is wonderful. Better than never, though i am quite late in start reading this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be he finest pdf for actually.*

-- **Ms. Sydnee Lesch**

*It in just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).*

-- **Matteo Torp**
