B Squared Press, LLC. Paperback. Book Condition: New. Paperback. 400 pages. Dimensions: 8.0in. x 5.2in. x 1.0in. Majorities of Americans believe Barack Obama is a socialist and that the Presidents policies are moving the United States towards socialism. But very few can explain why they share this belief. Never Allow A Crisis To Go To Waste: Barack Obama and the Evolution of American Socialism demonstrates why the American people are right. Author and attorney Bart DePalma explains how socialism evolved after the collapse of the Soviet Union from classical state ownership of the means of production into a new asymmetric form - using progressive tools to achieve socialist ends, while misrepresenting the result as pragmatic reforms of capitalism. After winning election as a post-political centrist, President Barack Obama ruthlessly put the full evolution of socialist theory into practice, from the classical socialism of his nationalization of Chrysler and General Motors to the new asymmetric approach of his clean energy economy and Obamacare. Taking readers on a fascinating journey through the shadowy world of Obama administration czars to the Tea Party demonstrations besieging Congress, DePalma builds a persuasive case that American socialism is not only alive and well, but is also challenging the very proposition of the American republic. In Never Allow A Crisis Go To Waste, DePalma reveals: When he enjoyed the power to unilaterally set policy under the TARP program, President Obamas first instinct was to employ classical socialism. Among his first acts as president was to nationalize Chrysler and General Motors. As Obama repeatedly told the American people: We have no intention of running General Motors, the president in fact took majority ownership of the automaker and handpicked nearly the entire board of directors, while his secretive Auto Team chose the electric vehicles GM would produce and imposed a...
