Troubador Publishing, United Kingdom, 2015. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Who d be a copper? follows Jonathan Nicholas in his transition from a long-haired world traveller to becoming one of `Thatcher s army on the picket lines of the 1984 miner s dispute and beyond. His first years in the police were often chaotic and difficult, and he was very nearly sacked for not prosecuting enough people. Working at the sharp end of inner-city policing for the entire thirty years, Jonathan saw how politics interfered with the job; from the massaging of crime figures to personal petty squabbles with senior officers. His last ten years were the oddest, from being the best cop in the force to repeatedly being told that he faced dismissal. This astonishing true story comes from deep in the heart of British inner-city policing and is a revealing insight into what life is really like for a police officer, amid increasing budget cuts, bizarre Home Office ideas and stifling political correctness. I can write what I like, even if it brings the police service into disrepute, because I don t work for them anymore! â says Jonathan Nicholas. Who d be a copper? is a unique insight into modern policing that will appeal to fans of autobiographies, plus those interested in seeing what really happens behind the scenes of the UKâ police.
