By Jim Corbett

Oxford University Press, New Delhi, India, 2012. Paperback. Book Condition: New. First Edition. An integral part of OUP India's centenary celebrations, this volume includes Jim Corbett's unpublished writings on man-eaters, nature, and his beloved Kumaon, personal letters, articles written for newspapers and gazettes by his contemporaries, and letters exchanged between Corbett and his publisher showcasing the development of his bestselling books - all from the archives of the Oxford University Press. It highlights Corbett's engagement with the times in which he lived, his complete empathy with the people of Kumaon, his great understanding of tigers and leopards, and also the gradual development of his ideas about conservation and the need to preserve the tiger and its habitat.
