All Possible defences to 1e4 and 1d4 are covered --- Written by renowned openings experts ----- Tired of playing the same old openings? Worried about having to learn too much theory? Then these are the books that you are looking. Brought together for the first time in one volume, International Master Angus Dunnington presents you with an all-new and attacking repertoire based on the move 1d4 while Grandmaster John Emms offers a new arsenal of opening weapons with which to attack your unsuspecting opponents.
