Unfortunately a lot of the truth is hidden in the women who never invited me anywhere so they are not in the book at all. Not socializing with me will insure that information about them will not be revealed. I m not a ho now nor was I ever. I am not too easy and I don t rush in relationships. Either you love like Jesus or you don t. Either your intentions are right or they re not; when it comes to relationships with people. In any relationship, you walk by faith.
