Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Createspace, United States, 2014. Paperback. Book Condition: New. Kelly Morgan (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Overview: Does Harry Dream of Electric Sheep? is a witty novel written for an adult audience (high-school or beyond). It is an allegorical novel written on several levels: - A fantasy about a space explorer and his comical misadventures with sheep-like creatures which seem to mirror human behavior - A tongue-in cheek comedy about life in the United States, circa 2014 - A serio-comedy which explores almost all of the current social and political issues - A story with a moral There are four sections, similar to sections in Gulliver s Travels. The main character is Harry Enlightenment, a quack psychiatrist (healer) who wants to be the first earthling to set up a practice on an alien planet. I. Harry arrives on Planet Baa. In this section, Harry meets with a number of the locals while learning about their divisions by sect. He attends a congressional session, listening to the debates on many issues. He is an honored guest on the Baabaa Show and then plans his visit with a member of congress, to Mesa View, the land of the Technobirds. II. Harry, with his escorts, tours Mesa View and is treated to a series of weird and comical technical innovations. At the conclusion of his tour, he is accused of stealing technology and banished from the island. III. Again with his escorts, Harry tours Corporus, the land of the (corporate giant) Ohmys. His stated purpose is to look for potential trade agreements but, in reality, he is just on an expenses-paid spree to learn the culture in advance of his healing practice. His tour includes such enterprises as (the equivalent of): Ralph...
