*It in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Book View Cafe, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.\*\* New York Times bestseller \*\* Exceptionally funny and entertaining book - Romonko Animals behaving badly, other people s misfortunes and the most bizarre true crime story ever. French Fried is the unfortunately true account of Chris Dolley s first eight months in France and has been described as A Year in Provence with Miss Marple and Gerald Durrell. Just when Chris and Shelagh think nothing more could possibly go wrong, they discover that Chris s identity has been stolen and their life savings - all the money from their house sale in England that was going to finance their new life in France - had disappeared. A bank account had been opened in Chris s name in Spain to take the proceeds. Then they re abandoned by the police forces of four countries who all insist the crime belongs in someone else s jurisdiction. The French say it s an Irish crime as that s where the money was held. The Irish say it s French as that s where all the correspondence came from. The British say it s nothing to do with them even though forged British passports were used to open the bank account in Spain. And the Spanish are on holiday - and can t even think about investigating any bank account for at least four weeks. So Chris has to solve the crime himself. But unlike fictional detectives he has an 80 year-old mother-in-law and an excitable puppy who insist they come along if he s going anywhere interesting - like a stakeout. REVIEWS This was a fantastic read. It had me laughing so much that I nearly got relegated...
