Have you ever had a real and powerful feeling that God is up to something? You can t articulate it or even wrap your head around it, but it s a genuine feeling-one that cannot be denied or ignored. I truly believe that God s people are on the edge of a major paradigm shift. There is a change on the horizon that will alter the way His people think and act, and it will reach into every aspect of our lives. It will change how ministry is accomplished and transform the whole complexion of the church. It is a call to purpose, a call to destiny-and it is happening now. The fact that you have this book in your hands is no accident. God has a plan and a purpose, and you are part of it. Are you ready? Then welcome to God s Will > Your Plan!.
