## ADMINISTRATION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Administration The rapid development of the American high school has for some time pointed towards the need of a specialized treatment, in an organic way, of the general problems of its administration. The numerous normal school, college, and university courses offered on this subject point distinctly to a definite and growing interest in this field of discussion. If any further evidence were needed of the widespread interest in the high school as an institution, it might readily be found in the numerous organizations of the country whose discussions and efforts center wholly or quite specifically in the problems of secondary education.
