

Brazil Country Program Evaluation, FY 2004-11: Evaluation of the World Bank Group Program

By The World Bank

World Bank Publications, United States, 2014. Paperback. Book Condition: New. 250 x 176 mm. Language: English . Brand New Book ***** Print on Demand *****. IEG s evaluation shows that the World Bank Group remained an important partner for the government in addressing many key policy challenges. The World Bank adapted its program effectively to meet shifting country needs, which shifted to subnational government support in the mid-2000s. The International Finance Corporation (IFC) provided useful advisory support for structuring public-private partnership projects and trade finance during the 2008-09 global financial crisis. The Multilateral Investment Guarantee Agency (MIGA) concentrated its activities on the electricity transmission subsector. IEG rates the overall outcome of the Bank Group program as moderately satisfactory, with some important variability across themes. The Bank Group made significant contributions when it served as an advisor, providing analytical input and exchanging views on relevant policy issues. Advisory support for structuring public-private partnership projects leveraged IFC s global expertise in project financing. The Bank Group s convening power provided diverse stakeholders with a platform to examine issues and trade-offs that cut across organizational boundaries. In addition, the Bank helped reduce deforestation in the Amazon through support for a major expansion of...
