

Mary On Horseback Three Mountain Stories

By Rosemary Wells

Puffin. Paperback. Book Condition: New. Paperback. 64 pages. Dimensions: 7.5in. x 4.9in. x 0.3in. In 1923, there were no doctors or hospitals in the isolated mountains of Appalachia. Then Mary Breckinridge came. Trained as a nurse, she made the Appalachians her life's work—fording icy streams and climbing untracked mountains to bring medical help to those in need. These three stories, told in simple, luminous prose, bring to life the birth of the Frontier Nursing Service, which still operates in Kentucky. Mary On Horseback shows yet another side of Rosemary Wells—one of today's most versatile authors. These beautifully written stories will remain with the reader long after the book is closed. - Booklist, starred review A compelling little book that might well cause some children of this overabundant age to consider their blessings. . . . -The Horn Book, starred review Awards: (Winner of the Christopher Award(A Horn Book Fanfare Book(A School Library Journal Best Book of the Year(A Smithsonian Notable Book for Children This item ships from multiple locations. This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
