

Apple Homekit: The Beginner's Guide (Paperback)

By Gack Davidson

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Apple HomeKit is the ultimate framework that keeps your smart home connected and keeps its various controls on your fingertips. This kit enables software developers and appliance manufacturers to design and produce HomeKit-enabled accessories for a complete connected home. With HomeKit your smart devices can communicate with each other and allow you to control them together. The grouping option lets you control several accessories together for each room or the entire house. Thus, the HomeKit streamlines all your HomeKit-enabled smart devices in your home.
