

Engaging Archaeology : 25 Case Studies in Research Practice

Filesize: 4.2 MB

Reviews

It in one of the best publication. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication i have got go through within my own existence and could be he greatest pdf for ever.
(Dr. Anya McKenzie)

ENGAGING ARCHAEOLOGY : 25 CASE STUDIES IN RESEARCH PRACTICE

Wiley-Blackwell Wiley & Sons Jan 2018, 2018. Taschenbuch. Condition: Neu. Neuware - Bringing together 25 case studies from archaeological projects worldwide, Engaging Archaeology candidly explores personal experiences, successes, challenges, and even frustrations from established and senior archaeologists who share invaluable practical advice for students and early-career professionals engaged in planning and carrying out their own archaeological research. With engaging chapters, such as 'How Not to Write a PhD Thesis on Neolithic Italy' and 'Accidentally Digging Central America's Earliest Village', readers are transported to the desks, digs, and data-labs of the authors, learning the skills, tricks of the trade, and potential pit-falls of archaeological fieldwork and collections research. Case studies collectively span many regions, time periods, issues, methods, and materials. From the pre-Columbian Andes to Viking Age Iceland, North America to the Middle East, Medieval Ireland to remote north Australia, and Europe to Africa and India, Engaging Archaeology is packed with rich, first-hand source material. Unique and thoughtful, Stephen W. Silliman's guide is an essential course book for early-stage researchers, advanced undergraduates, and new graduate students, as well as those teaching and mentoring. It will also be insightful and enjoyable reading for veteran archaeologists. 280 pp. Englisch.
