Beekeeping Book Collection: How To Start Your Self-Sufficient Beekeeping And Build Perfect Hives Yourself (FREE Bonus Included) Book#1: Beekeeping For Beginners: Simple Introduction To Building And Maintaining Bee Colony For Everyone Who Knows Nothing About Beekeeping Humans are believed to be a social creature. This connectivity to the surrounding creatures is not only related to fellow beings but also with other living creatures and species. It is because of this reason, that humans have extended efforts for being connected to different living beings for fulfilling their needs, in one way or the other. Beekeeping is an example of the strong connection between various living creatures, where each contributes its role for carrying out a sustainable life. In this book, my targeted audience is the group of people who want to start with beekeeping but lack the necessary information. The information in this book is presented in such a way that even those who have zero knowledge of bees and beekeeping can easily start with this venture. Like any activity, you can start beekeeping only when you have extensive knowledge about all the major aspects of beekeeping. The important points which are presented in this book will highlight the following chief issues, which will cater all the information needed for beginners of beekeeping. Book#2: Beekeeping For Beginners: DIY 10 Bee-utiful Beehive Projects Beekeeping For Beginners: DIY 10 Beautiful Beehive Projects can be a good choice for you to design beehives. A beekeeper should have enough self-reliance to practically take care of their bees and discover innovative ways and solutions...
