

A Guide to Modern Freemasonry (Paperback)

Filesize: 4.32 MB

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

(Abe Reichel DDS)

A GUIDE TO MODERN FREEMASONRY (PAPERBACK)

To get **A Guide to Modern Freemasonry (Paperback)** eBook, remember to refer to the button below and download the ebook or have accessibility to other information which are have conjunction with A GUIDE TO MODERN FREEMASONRY (PAPERBACK) book.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ever since the Fraternity made its modern public appearance in 1717, printing presses have produced a torrent of writings dealing with every imaginable aspect of this group. The current state of affairs illustrates my excuse, if you will, for writing this short work. There is too much information about Freemasonry in print. All of this overload just makes a confusing and complex subject even more perplexing for the interested reader. What is needed is a short, easily understood overview of the fascinating world of the Freemasons. It is my belief that many casual laypersons who wish to learn a little about Freemasonry want just that: to learn a little about the Craft. They don t want to embark upon an extensive investigation involving hundreds of pages. They simply want a quick overview of the Fraternity and perhaps get the answers to a few basic questions. After satisfying their curiosity, they wish to move on. It is with this audience in mind that I have decided to pen this little work. The title is meant to be literal. This is a simple, short introduction to a very complex phenomenon. The book closes with a meditation on the ultimate purpose of Freemasonry and its value, both to the individual, and to society as a whole. Other books and areas of research are recommended for the casual reader who might want to explore The Brotherhood further.
