The violation of our freedom of speech, our personal lives, and the trampling of our Constitutional rights has now reached critical mass in the United States of America. Demonic forces of the underworld have penetrated our government resulting in spiritual wickedness in high places. These vile spirits have strongholds both in Washington and your local state level. Psychological mind games of political correctness have been forced on us in an attempt to twist our God-given capacity to know good from evil. This perversion of truth has been injected into the minds of many of our leaders by the hounds of hell that have only one objective, the complete eradication of Christianity and the total annihilation of America and Israel. We can no longer sit idly by, thinking things will change for the better without our involvement in the political arena. As you peruse the mysterious elements of The Illegation Conspiracy you will become acquainted with revealing code words that describe Illegation. These words reveal the inner workings of wicked spirits in high places. You will see clearly how these masters of deception of the fourth dimension are involved in our borders, freedom of speech, economy, right to bear arms, and human lives. You will learn how to utilize our God-given authority to stop these tyrants of evil and turn America back to God. This item ships from multiple locations.
