BookBaby, 2018. Paperback. Condition: New. Language: English . Brand New Book. Leading Worship is a short book of tips for active and aspiring Christian worship leaders that want to enhance their worship leader skills from a spiritual perspective. This book speaks very little about performance as the writer believes this is not a driving factor for prophetic worship. Readers will find helpful tidbits and nuggets to enhance their personal and corporate experiences in worship. The book is the perfect gift for Pastors and Worship Leaders alike. Pastors will want to make this required reading for their worship leaders.
