THE WORLD S PRAYER: REVELATIO REVELATA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The World s Prayer: Revelatio Revelata Thus Moissan in his studies on the origin of the diamond through conditions made possible by the electric furnace secured results, which if not exactly repeated in nature, did definitely throw light upon possible phases of its formation. The crumpled layers of cloth which Sir James Hall produced by a weight upon and compression from the sides of, sheets of horizontal cloth, revealed forces at work in the folding and plication of the stratified rocks of the earth s surface. One of the greatest triumphs of modern chemistry was the production of artificial alizarine which has displaced the natural madder. It was by a long series of experiments that finally in 1869 Crache and Lieberman accomplished this, leading to the utilization of the anthracene of the coal tar products, for the manufacture of the brilliant madder dye. These experiments were of the interrogatory sort. The hypothesis that experiment can be introduced into the religious field is not preposterous, and it might have amazing and stupendous consequences. Or it might not. Here again we, in this last case, would opportunely learn something. Experiments accurately made are the test of truth. They must always confirm the letter of authority, or if they do not, we are brought to the edge of a new wisdom. Indeed we are not al ways over anxious that they will justify our expectations and forecasts. Now as a fact experimentation enters in a very grandiose and exacting way into religious experiences or religious calculations. It is nothing less than the living of a correct life, by numbers who, relying on the assertions of their spiritual guides. About the...
