

The Tax Bible: A Comprehensive Guide for Small Businesses, Self Employed and Independent Contractors (Paperback)

By Ken Koenen LLM

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Most small business owners and self employed individuals are more concerned about the day to day issues of running your business rather than digging through thousands of pages of IRS publications to learn what deductions they might be entitled to on their tax returns. They also do not have the funds to hire a staff of tax attorneys to guide them through the maze known as the Internal Revenue Code. This book will be their staff of tax attorneys to guide them, and to provide them with legitimate deductions that they are entitled to take, but have not been doing so. More importantly, this book will give them methods of record keeping shortcuts designed to take less of their time, yet meet all IRS requirements. There is a lot of talk about a flat tax, and perhaps that would be a good thing. The chances of that happening anytime soon is remote, because politicians love to use (or abuse) the tax code to encourage investment, employment and other pet projects for their states. With the change of administration in...
