

Yuri s Day: Gagarin s Road to the Stars (Paperback)

Filesize: 1.78 MB

Reviews

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

(Matteo Torp)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Peter Hodkinson (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Amazing to see how much history can be distilled into the graphic novel format, a genre otherwise left to the fictional, fantastical domain. And yet this book illustrates just that - fantastical true events that led to one of mankind s greatest achievements. Yuri s Day covers much and holds no punches, opening in pre WW2 Stalinist Russia. Recognition is given to Sergei Korolev as the true hero here and his journey begins in a Siberian gulag. The influences of Konstantin Tsiolkovsky, philosophical pioneer of Russian rocket science, is also documented as well as Gagarin s childhood influences to his adult life. A well researched graphic story of a man (engineer Korolev) and his young protege, Yuri Gagarin, altering the course of history in 1961. An extended historical essay fronts the book, with fascinating details about the origins of Yuri s adventure, and the fate of the early Soviet space programme. Stalin, World War 2, Sputnik, dog s in space, the Cold War. a must-have for space and comic fans, and educational establishments too.
