The Real Book has set the gold standard for Jazz fake books. This book aims at giving you the rich harmonic vocabulary that you need to benefit from its lead sheets, as well as effectively utilize any fake book that requires you to be able to make and substitute chords on the spot. The author, Eddie Landsberg, is a master theorist and Jazz clinician from Philadelphia who has developed a reputation as a musician s musician. Work through this book and you ll find out why his 7 Secrets method has grown into an international underground phenomena selling thouands of copies around the world. Step-by-step, this book will teach you how to construct and connect rootless chord voicings, analyze tunes, alter tones and substitute chords and more. Using plain and simple language, Eddie is a master of taking the esoteric and making it common sense. Not since the release of Mark Levine s Jazz Theory and Jazz Piano Book has so thorough a method been available. In the tradition of master educators such as Schillinger, Schenker, Sandole, David Baker and others, Eddie Landsberg takes must know theory and brings it to life with insight, wisdom and teacher know-how. Welcome to The 7 Secrets of Jazz and Soul and the first volume of Chord Construction and Harmonic Mastery for Acing The Real Book. -----
