WOLF SIRENS: NIGHT FALL: WHAT RISES MUST FALL (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Uncover what Happens after Dark in Shade. In the rainy valley the sky is covered by cloud as the Thunder God wars with his son, Apollo. As dusk descends the wolves haunt the forest. A crescent moon rises and all days are nights for the huntress, until the ancient battle is won. What lurks beneath the surface in the heartlands of myth and reality is a tale as insidious and devious as the wolves themselves. The sun has not yet set forever on a love that has defied time in a valley cursed for centuries. Lila has nothing to lose, except for the one thing that means everything. The unwilling heroine with a chip on her shoulder treads between two worlds on a path of inescapable fate that the Goddess has chosen for her. Lila must follow a dark path towards a war that no one can win. Suspicions rage as the fight takes her into the belly of the beast. Lives will be lost in a vicious clash. Who will be left standing after the fray? The hunter s legacy must be fulfilled in a vivid tale of heartbreak and betrayal as what rises must fall and those that have fallen must find the strength to rise again. No one will emerge unscathed.
