## FATIMA AL-FIHRI THE FOUNDER OF THE WORLD S FIRST UNIVERSITY: LITTLE MUSLIMS INSPIRATION SERIES (PAPERBACK)

Muslima Today, 2017. Paperback. Condition: New. Language: English . Brand New Book. An inspirational series about marvellous Muslim men and women in Islamic history who achieved the extraordinary. Fatima Al-Fihri, the founder of the world s first university is about a non-fiction figure from Islamic history. It is a story about a girl who wants to contribute positively to her community, this is her dream. As she grows up she is faced with loss, and is left with a great fortune. However instead of dwelling on her loss or greedily keeping that fortune for herself, she decides to do the extraordinary, she builds a Mosque which includes a place of learning. As years go by the Mosque becomes one of the biggest learning centres of that time and eventually the first university in the world. It is a story of family, loss, hope and of great faith. As a young girl, Fatima has many dreams; she is surrounded by her loving family who encourage her to achieve her potential. Fatima has a little sister called Mariam, as they grow up in the light of their faith they both dedicate themselves to making the world a better place. This book is aimed at 6-12 year old children. However it s the kind of book that will appeal to adults as well.
