DEADLY FANTASY: A BASEBALL STORY (PAPERBACK)

Balding Legal Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Over 33 million people in the United States participate in fantasy baseball and/or football leagues; these leagues are a two billion dollar per year industry. For Jeff Goldstein, however, this is not just a game; participation in the league takes over his life. His obsession with winning his fantasy league, and its \$150,000 prize, consumes his every thought and threatens his relationship with his girlfriend, his friends, and his job. How far will Jeff go in his desire to win the league? What actions will he take, or ask others to take, as he struggles to separate fantasy from reality? Deadly Fantasy: A Baseball Story is both an examination of one man s obsession with winning his fantasy baseball league, as well as a critical comparison of the current statistic-based views of rating baseball players as opposed to the more traditional, human views of player selection. Solomon, Esq. Who would ever think a game amongst friends would turn to deception and murder? . Andrew Wolfenson takes loyalty and the American Pastime where they ve never been before by playing Fantasy League Baseball with a life and death...
