

## Kitten s Winter

By Eugenie Fernandes

Kids Can Press, Canada, 2014. Board book. Condition: New. Language: English . Brand New Book. Winter comes to Kitten s world, and the little calico leaves her cozy home for an afternoon of exploration and discovery. Kitten learns that even on a frosty day, animal life flourishes: a squirrel forages, an otter goes fishing and a woodpecker taps the side of a bare-limbed tree. At the same time, readers discover that for many animals, winter is a time of rest. Softly, Kitten treads past a burrowing turtle, a napping beaver and a hibernating bear. Told in rhyming couplets, Kitten s Winter is a perfect introduction to animal behavior and habitats. And its sumptuous, mixed-media illustrations make it ideal for beginning and pre-readers, who will delight in spotting all the different details of the season.

### Reviews

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
