

The Glasgow Cookery Book: Centenary Edition - Celebrating 100 Years of the Do. School

Filesize: 2.42 MB

Reviews

Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Jessy Collier)

SCHOOL ebook.

Waverley Books Ltd. Hardback. Book Condition: new. BRAND NEW, The Glasgow Cookery Book: Centenary Edition - Celebrating 100 Years of the Do. School, Queen's College, Glasgow, Glasgow Caledonian University, Carole McCallum, Glasgow Caledonian University and Waverley Books are delighted to announce the publication of a new edition of the world famous "Glasgow Cookery Book". This much sought-after book is finally available again, revised and updated for 2010, the centenary year of its first publication, and this new edition has lost none of its homely charm. "The Glasgow Cookery Book" started its life in 1910 as the textbook of The Glasgow and West of Scotland College of Domestic Science - fondly dubbed the Do. (or Dough) School by Glasgow citizens - and was put together by the school's staff to document the recipes they taught in class. However, its reputation for dependable and economical recipes ensured that its influence spread far beyond the walls of the Glasgow college. Its practical and reliable cookery advice became famous worldwide. Scottish mothers bought it for daughters and daughters-in-law, and it became an essential purchase for young brides and brides-to-be. Based on the 1975 metric edition, revised and updated, we've taken care to preserve Do. School favourites - such as haggis, pot roast, Dutch roast, cheese scones, Dundee cake, Victoria sandwich, gingerbread and shortbread - while updating for the modern cook. Its practical approach to cooking on a budget is as relevant now as it ever was. In addition there's a fascinating preface by Glasgow crime writer Alex Gray. Alex's Aunt Ella was a student at the college in 1909. Ella Cowan's own handwritten college jotters survive, are dated 1909, and according to GCU archivist Carole McCallum, are the first definitive proof available that the 1910 book was based on the notes taught in class....
