

The Digital Photography Book, Part 2 (Paperback)

By Scott Kelby

Pearson Education (US), United States, 2013. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Scott Kelby, author of The Digital Photography Book, part 1, the top-selling digital photography book of all time, is back with an entirely new book that picks up right where part 1 left off. It's more of that Ah ha-so that's how they do it, straight-to-the-point, skip-the-techno-jargon stuff you can really use today that made part 1 so successful. This book truly has a brilliant premise, and here's how Scott describes it: If you and I were out on a shoot and you asked me, When I use my flash, the background behind the person I'm shooting turns black. How do I fix that? I wouldn't give you a lecture on flash ratios, or start a discussion on flash synchronization and rear curtain sync. I'd just say, Lower your shutter speed to 1/60 of a second. That should do it. Well, that's what this book is all about: you and I out shooting, where I answer questions, give you advice, and share the secrets I've learned just like I would with a friend-without all the...
