Reviews

These kinds of ebook is the perfect publication offered. It is among the most incredible publication i have go through. You will not feel monotony at whenever you want of your time (that's what catalogues are for concerning if you check with me).
(Delia Schoen)

BALLET CAT: WHAT'S YOUR FAVORITE FAVORITE? (HARDBACK)**DOWNLOAD**

Hyperion, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Ballet Cat and her cousin Goat are preparing a show for Grandma. Each is trying to outdo the other--Ballet Cat with an elaborate dance routine (of course), and Goat with his amazing (amazingly lame, that is) magic tricks. Neither act goes off quite as planned, but it doesn't matter . . . because Grandma falls asleep during the performance! Oh well, at least Ballet Cat and Goat learn how to cooperate. (But Ballet Cat cooperates better!) Praise for *THE TOTALLY SECRET SECRET*: * This early reader has simple, vivacious cartoon artwork done in inks with digital enhancements. Shea's signature style and bright bold colors add to the fun. Although the text is somewhat sophisticated and the dialogue is entirely in word balloons, the humor and theme of friendship and sharing will have broad appeal beyond the beginning reader set. VERDICT Move over Elephant and Piggie! --School Library Journal (starred review) * Tapping into the same barely restrained exuberance and visual energy that characterizes much of his previous work, Shea introduces Ballet Cat, a pearl-and-tutu-wearing feline who loves to dance as much as the author's Dinosaur and Cheetah characters love winning. Like Mo Willems's Elephant and Piggie, these two are a contemporary comic duo with staying power; Shea mines Ballet Cat's dialed-up enthusiasm and Sparkle's hangdog expressions for everything they are worth. Boldly contrasting backgrounds heighten the strong emotions at play and, luckily, after Sparkles reveals his secret secret about dancing, this friendship is undiminished. --Publishers Weekly (starred review) An ALA Notable Book.
