She s studious, musically gifted, and headed for a successful career in swimming. Aside from a catty group of jealous girls, who taunt her mercilessly, Kaitlyn s dreams are well within her reach. That is, until she becomes tangled up with the handsome Pistol Black, a rodeo cowboy, who not only turns every girl s head in the county, but also turns her perfect world upside down. Kaitlyn s overprotective twin brother and best friends, begin to see signs that make them question Pistol s subtle control over her. As secrets are unveiled, they intervene to save her from a possible path of destruction. To their surprise, when best friend Brody steps in to protect her, newly discovered feelings complicate an already volatile situation. Soon, everything begins to change. Old feelings die, new feelings emerge, and the once beautiful path they had traveled over summer, begins to alter with the season. Will Kaitlyn s closest friends be able to pull her from the destructive path she s been led to follow? As the winds of time blast through their lives, the loyalty toward their best friend will remain stronger than ever. They are determined to protect her, even if one of them ends up getting hurt in the hunt for safety. One thing is for certain, none of this close group of friends will be left untouched when fall breaks. ***This book contains mild language, some suggestive humor, and underage drinking.
