Penguin Books, 2016. Paperback. Condition: New. Translation. Language: English . Brand New Book. You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood -- altogether transporting. Long live Camilleri, and long live Montalbano. A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Montalbano investigates a robbery at a supermarket, a standard case that takes a spin when manager Guido Borsellino is later found hanging in his office. Was it a suicide? The inspector and the coroner have their doubts, and further investigation leads to the director of a powerful local company. Meanwhile, a girl is found brutally murdered in Giovanni Strangio's apartment--Giovanni has a flawless alibi, and it's no coincidence that Michele Strangio, president of the province, is his father. Weaving together these two crimes, Montalbano realizes that he's in a difficult spot where political power is enmeshed with the mafia underworld.
