Sea Among Us: The Strait of Georgia (Hardback)

By Richard Beamish, Gordon McFarlane

Harbour Publishing, Canada, 2014. Hardback. Condition: New. UK. Language: English . Brand New Book. The Strait of Georgia is a one of the world s great inland seas, a 6,900 sq km body of water lying between the British Columbia mainland and Vancouver Island. Rich in history, teeming with wildlife and marine traffic, it is essential to British Columbians for food, jobs, travel and recreation. The sheltered waters of the strait are home to Canada s largest seaport and over two-thirds of the province s population. The Sea Among Us is the first book to present a comprehensive study of the Strait of Georgia in all its aspects with chapters on geology, First Nations, history, oceanography, fish, birds, mammals, invertebrates and plants. Covering everything from tsunami modelling to First Nations history to barnacle reproduction, the book is a sweeping overview of the waterway. It describes how fjords formed, what the seafloor is made of, and why coastal BC is so prone to earthquakes; it advises on which jellyfish sting, how to tell the difference between Dall s and harbour porpoises, and where to find whales; and it addresses how climate change and human impacts could affect the strait, noting that...

Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
