Trafford Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English,Korean . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Korea is a nation on the move, and millions of Korean students are working hard to master the English language. English is now the language of international communication, trade, commerce, and science. Students the world over are being taught English as part of their training to fit into the world of the future. Many Korean students find that the old methods of teaching language are not working well for them, and their need to learn is urgent. In the West, much progress has been made in educational psychology in recent times, and the way the brain learns is a promising new field of study. This book explains new methods of teaching English and provides the student with tips, tools, and techniques to improve their ability to communicate in English.
