Whether you are just interested in finding out what it is that has attracted millions of people to practice the faith and billions more to practice the philosophical teachings or you want to learn how to incorporate those teachings into your own life, this book is the perfect place to start! More Than Just Meditation and Yoga is written in simple and easy to understand language so that you don't feel lost with all the strange foreign terms or mystical concepts that are part of the religious teachings. You can gain a comprehensive knowledge of what these teachings really mean in plain language that doesn't overcomplicate things. From its beginnings, Buddhism was meant to be a religion that everyone could follow. In their native language, the scriptures are written in a manner that is easy to understand. It is only through their translation into English and other Western languages that they were made complex and difficult by translators who failed to see the real purpose of the scriptures. Each chapter focuses on a specific aspect of Buddhism so that by the end you will have a strong foundation of knowledge about the religion from the history through to the actual health benefits which can be achieved by practicing these ancient techniques! If you are hoping to live a more Zen life, manage stress and improve your quality of life, you are sure to love the teachings of Buddhism. Benefits of Buddhism Use this book to learn how you can decrease stress,...
