Survival Gear: All You Need To Know About Outdoor Cooking This book Survival: Prepper s Guide: All you need to know about outdoor cooking is a very gripping book for the readers that will maintain the interest of readers till the last word of the last page. It is a beautiful collection of words that gives insight into the guidelines for the survival. This book gives unique details regarding the survival in outdoors. It stresses on the skills required for survival in hard situations. Why these skills are important for a person to know? All these questions are answered well in this book. This book will further emphasize on cooking skills but this cooking will not be simple cooking. This book is all about outdoor cooking. This book covers the essentials of outdoor cooking. The basic requirements to survive in harsh environmental conditions and prerequisites of outdoor cooking are one of the main focuses of this book. Apart from all this interesting information, this book also contains very exciting and yummy recipes of dishes that you can try outdoor to kill your hunger. These recipes are relatively easy to make and require less time. Storage and preservation of food for outdoor cooking is also very well explained in this book. This book also emphasizes on the negative impacts of outdoor cooking on natural systems (environment) and the animal species living in nearby areas. These and much more eye catching information will keep the readers glued till the end of the book. This book can serve to be a basic...
