SILHOUETTES AND SEASONS: ESSAYS AND IMAGES OF A PERSONAL NATURE (PAPERBACK)

Dog Ear Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Silhouettes and Seasons is a deeply personal meditation, a collection of essays intent upon forging a deeper connection with our true nature, a sentient succession of seven years of seeking soulful possibility and transcendence. An engineer by education and profession, the author is a graduate of Penn State University and a former project engineer, engineering manager, and director of engineering for a...
