By V. L. McDermid

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Union Jack, V. L. McDermid, Fourth in the series featuring investigative journalist Lindsay Gordon. When union leader Tom Jack falls to his death from her bedroom window after a spectacularly public row with Lindsay, it seems the only way to prove her innocence is to find the real culprit. Leaving her new home in California for a trade union conference in Sheffield, Lindsay Gordon finds herself in the company of old friends - and enemies, including Tom Jack. When this unethical union leader is found dead, having catapulted out of Lindsay's tenth-floor hotel room, she is taken in for questioning by the police. Hoping to clear her name by finding the real killer, Lindsay searches among hundreds of unruly union delegates for a murderer who may have struck once before. Along the way she uncovers a seething cauldron of blackmail, corruption and abuse of power, all brought to the boil by her investigation.

This kind of publication is every little thing and taught me to look ahead of time and a lot more. It is packed with wisdom and knowledge. Once you begin to read the book, it is extremely difficult to leave it before concluding.
